

FOR IMMEDIATE RELEASE
September 25, 2008

**SUNRISE CHILDREN'S HOSPITAL NAMES MICHAEL C. BACHMAN, M.D.,
M.B.A.,
MEDICAL DIRECTOR OF PEDIATRIC EMERGENCY DEPARTMENT**

LAS VEGAS – Michael C. Bachman, M.D., now serves as medical director of the Pediatric Emergency Department at Sunrise Children's Hospital, the state's only dedicated children's hospital.

Coming to Las Vegas by way of New Jersey after serving four years at Newark Beth Israel Medical Center, Dr. Bachman is an esteemed member of the American Board of Pediatrics. Dr. Bachman is active on a national level and currently serves as the Secretary of the Pediatric Emergency Medicine Section of the American College of Emergency Physicians. He completed his pediatric emergency medicine fellowship at Children's National Medical Center in Washington, D.C. following his pediatric residency at Schneider Children's Hospital in New Hyde Park, NY. He earned his medical degree from Sackler School of Medicine in Israel after completing his B.S. from Tulane University in New Orleans, LA. Dr. Bachman also has an M.B.A. from The George Washington University School of Business and Public Management.

"We are thrilled to welcome Dr. Bachman to our team of specialized physicians," said Todd Sklamberg, chief operating officer and hospital administrator at Sunrise Children's Hospital. "His talent, skill and unique educational background in both the medical and administrative fields will certainly uphold our superior standard of care for our pediatric emergency patients."

Sunrise Children's Hospital offers Las Vegas' largest and most specialized 24-hour pediatric emergency department with physicians, specialists and healthcare providers dedicated to patients under the age of 18.

About Sunrise Children's Hospital:

Sunrise Children's Hospital is a dedicated specialty hospital of 244 beds offering comprehensive inpatient and outpatient services for children and expectant mothers. As Nevada's only dedicated children's hospital, Sunrise employs an expert staff of pediatric physicians including top physicians, specialists and sub-specialists in pediatric emergency medicine, cardiology and cardiac surgery, oncology, complex surgery, critical care, forensic maltreatment, obstetrics, and neonatology. The facility's services for healing extend through a family-centered care philosophy, where pediatric and neonate nurses, pharmacists, respiratory/physical therapists, social workers and child life specialists treat various aspects of the patients' lives.
