Las Vegas, NV - Every year 140,000 people die from a stroke, making it the nation's third leading cause of death. People most at risk for stroke are those with high blood pressure, high cholesterol, smoke, and/or are obese. Could you be at risk?

The hospitals of Sunrise Health – Sunrise Hospital and Medical Center, MountainView Hospital and Southern Hills Hospital and Medical Center – are offering free stroke screenings in celebration of National Stroke Awareness Month. The stroke screenings consist of a self-assessment of risk factors and blood pressure checks.

Screenings are being held at the following times and locations:

May 5, 11:00 am – 1:00 pm

Mountain View Hospital

Cafeteria

3100 North Tenaya Way

Las Vegas, NV 89128

www.mountainview-hospital.com

May 11, 11:00 am - 1:00 pm

Sunrise Hospital and Medical Center

Cafeteria

3186 South Maryland Parkway

Las Vegas, NV 89109

www.SunriseHospital.com

May 12, 11:00 am – 1:00 pm

Southern Hills Hospital and Medical Center

Main Lobby

9300 West Sunset Road

Las Vegas, NV 89148

www.southernhillshospital.com

Screenings are offered on a first come, first serve basis. For further information please call 702-233-5300 or visit www.sunrisehealthinfo.com.

The Sunrise Health hospitals have all been certified as primary stroke centers by the Joint Commission, making them the first network of certified primary stroke centers in Las Vegas.

###
