In Honor Of Heart Health Month Canyon Ranch SpaClub and The Breast Center At Sunrise Host a *Go Red* Health Seminar

WHAT: In celebration of Heart Health Month and Go Red for Women, The Breast Center at Sunrise invites the public to an informative and interactive event. Invited guest, Executive chef James Boyer of Canyon Ranch SpaClub demonstrates how to cook up heart healthy foods, while teaching attendees about the benefits of heaving a healthy diet. Guests of this fun-filled event receive recipes for heart healthy dishes. In addition one lucky guest will have the chance to win a service at Canyon Ranch SpaClub at The Venetian.

WHO: Canyon Ranch SpaClub Execute Chef, **James Boyer**

WHEN: **February 28, 2008**
5:30 p.m.

WHERE: **The Breast Center at Sunrise**
3006 South Maryland Parkway
Las Vegas NV, 89109

DETAILS: The Breast Center at Sunrise hosts seminars throughout the year on topics pertinent to women's health issues. For more information on The Breast Centers health seminars or to RSVP for the *Go Red* event, contact Gina Arnold at 702-731-8664.

MEDIA: All cameras are welcome. Photo opportunities available

About The Breast Center at Sunrise

The Breast Center at Sunrise is the only medical facility in Las Vegas to offer every aspect of breast care under one roof for the diagnosis, treatment and recovery of breast disease. Featuring helpful resources such as a nurse navigator to guide patients through every step of the clinical, psychological and physical process, The Breast Center also boasts an advanced level of patient care as a result of its multi-disciplinary clinical team including medical oncologists, radiation oncologists, breast surgeons, radiologists and pathologists.
