Sunrise Health Opens Two New Baby Your Baby Locations

Providing expecting mothers Medicaid assistance and access to necessary prenatal care

LAS VEGAS- Sunrise Health proudly welcomes the birth of its two new Baby Your Baby locations at 3211 N. Tenaya Way and 3601 Las Vegas Blvd. N. These two new locations join the existing Baby Your Baby office located at 3101 S Maryland Pkwy.

Baby Your Baby is a program encouraging women to seek early and continuous prenatal care, beginning the in the first trimester of their pregnancy. Prenatal care is important to the future health of both mom and baby.

“Consistent and proper prenatal care is the most important precaution in protecting your future newborn from health problems,” said Lisa Hotlzclaw, director of Baby Your Baby. “You would be surprised at how many women do not undergo an effective schedule of care during their pregnancy and our program is meant to combat that problem by providing assistance.”

Through this service The Baby Your Baby staff is able to connect women without health insurance to providers who offer sliding scales, discounted fees or Medicaid. The helpful and bilingual staff works with women to determine if they are eligible for Medicaid and then helps them enroll in the program.

For more information or to reach a Baby Your Baby location or representative please call 702.731.8703.
