

## Free Skin Cancer Screenings from Sunrise Health

*The Hospitals of Sunrise Health Offer Annual Skin Cancer Screenings in May*

For immediate release:  
April 27, 2010

**Las Vegas, NV**—Join the hospitals of Sunrise Health as we recognize Skin Cancer Detection and Awareness Month by offering free skin cancer screenings to the community. Sunrise Hospital and Medical Center, MountainView Hospital and Southern Hills Hospital are featuring free spot-check screenings on **Saturday, May 8**, by appointment only.

Skin cancer is the most common form of cancer in the United States, according to the American Cancer Society. Most cases of skin cancer can be treated if detected early. Skin cancer screenings are one of the best methods to prevent and detect cases of skin cancer.

To schedule your free skin cancer screening for you and your family at the location nearest you, call (702) 233-5300. Space is limited and a reservation is highly recommended. For more information, visit our Web site at [SunriseHealthinfo.com](http://SunriseHealthinfo.com).
