SUNRISE CHILDREN'S HOSPITAL AND MOUNTAINVIEW HOSPITAL TO EXPAND PEDIATRIC SERVICES TO THE FAMILIES OF NORTHWEST LAS VEGAS

Las Vegas, NV – Sunrise Children's Hospital and MountainView Hospital are partnering to offer the families of northwest Las Vegas expert pediatric care. Sunrise Children's at MountainView, the name for the new pediatric services offered at MountainView Hospital, will open at 7:00 am on Tuesday, February 10, 2009.

With thousands of children living in the northwest area surrounding MountainView Hospital, there is an increasing need in the community to provide more advanced pediatric services. Sunrise Children's at MountainView will provide the expertise of the state's only children's hospital, close to home.

"Our mission at MountainView has always been to provide high-quality care to the communities we serve," said Will Wagon, chief executive officer of MountainView Hospital. "With the addition of Sunrise Children's at MountainView we are able to continue that mission and enhance the level of service to pediatric patients."

Sunrise Children's at MountainView will offer patients:

- Nursing staff experienced and specially trained in pediatric care
- 12-bed, 10-room medical/surgical pediatric unit with private rooms
- Surgical services
- Access to sub-specialists through Sunrise Children's Hospital
- Secured unit including the use of the HUGS system
- Processes, policies and procedures modeled after Sunrise Children's Hospital
- Treatment and playroom located within the secured unit
- Efficient transfer process to Sunrise Children's Hospital for patients needing a tertiary level of care
- Board certified/board eligible pediatricians available 24/7

MountainView Hospital invested in a half-million-dollar renovation to develop the dedicated unit.
